Custom Interior Design

Hospitality Furnishings & Design Inc.,

is an Interior Design and Procurement firm focusing on the Hospitality Market. The Focus Service Hotel division was founded in 2001 by Principal, Bob Cormier, CHA, whose extensive experience as a Hotel General Manager and owner has molded the company's service standard. ***HFD is a major competitor, delivering custom hotel experiences that are in line with brand standard budgets.*** One of the key services setting HFD apart from competitors is the Logistics Department. Each project has a dedicated Logistics Project Manager working with all parties to manage the FF&E schedule of installation, their main focus is meeting job completion dates. The company has invested in a large design department to serve the custom needs of the clients it serves.

This Pittsburgh (Zelienople), Pennsylvania based company has grown to nearly 60 employees and services an average of 80 new and renovation properties year. Our projects spans the continental United States, Hawaii, and the Caribbean.
