HFD DESIGN STUDIO

WE ARE NOT IN BUSINESS TO PLEASE OURSELVES ESTHETICALLY.
This Hospitality driven design studio is focused on the core vision of the Hotelier, the study of local competition, design trends, and Brand Guidelines.

OUR DESIGNERS HAVE HAD THE UNIQUE EXPERIENCE OF TRULY UNDERSTANDING SOURCING.
Each Project Manager has run many projects in our Agency and Fulfillment division. This key understanding of ***how much it costs*** allows our projects to skip the typical value engineering phase most other firms suffer through.

WE HAVE STRONG BRAND RELATIONSHIPS.
Producing such a volume of work, we have learned to share our knowledge internally, such as how to steer clear of key obstacles, adapt to Brand quirks and navigate Brand submittal approval.
